

WATER CONSERVATION PROGRAM

Sprinkling Restrictions

The City of Terrace has now rescinded the "additional restrictions (7:00 am to 10:00 am)" and wishes to remind all residents the following water sprinkling restrictions are in force year-round.

Water sprinkling is permitted on:

- **ODD numbered addresses - On ODD numbered days**
- **EVEN numbered addresses - On EVEN numbered days**

These restrictions are required to ensure that adequate water supply is available for fire fighting purposes, and to keep the costs of delivering water to a minimum.

Hand sprinkling of flowers and shrubs with a **controlled nozzle** is allowed at any time.

The City thanks residents for their sensible and moderate use of water throughout the past summer season.
