CITY OF TERRACE
CONSOLIDATED FOR CONVENIENCE
BYLAW NO. 1431-1995 AND AMENDMENTS THERETO

"A BYLAW TO PROVIDE FOR ZONING REGULATIONS WITHIN THE CITY OF TERRACE."

WHEREAS Council wishes to enact a Zoning Bylaw for the City of Terrace;

AND WHEREAS the Municipal Act provides that Council may enact a Zoning Bylaw pursuant to Section 963, Parking provisions pursuant to Section 964, Screening provisions pursuant to Section 968, and Floodplain provisions pursuant to Section 969;

AND WHEREAS a Public Hearing has been held pursuant to Section 956 of the Municipal Act;

NOW THEREFORE the Council of the City of Terrace in an open meeting assembled hereby enacts the following:

1.0 OFFICIAL TITLE

This Bylaw may be cited for all purposes as the "City of Terrace Zoning Bylaw No. 1431-1995".

2.0 DEFINITIONS

In this Bylaw:

ACCESSORY BUILDING means a subordinate building which is customarily ancillary to the principal building situated on the same parcel and which is exclusively devoted to the better use of the principal building.

ACCESSORY USE means a use other than the principal use, which is ancillary, incidental and exclusively related to a principal use on the same parcel.

AGRICULTURE means the use of lands, buildings or structures for the propagation of crops or livestock, including field crops, animal husbandry, tree nurseries and any other uses customarily carried out in the field of agriculture.

ALTERATION means a structural change to a building and includes but is not limited to:

- (1) an addition to gross floor area or height;
- (2) removal of part of the building;
- (3) construction of, cutting into, or removal of any wall, partition, column, beam, joist floor, or other support;
- (4) a change to, or closing of, any required means of access; and
- (5) a change to the fixtures, equipment, cladding or trim.

AMENITY AREA means indoor or outdoor space on a parcel designed for shared or private recreation or enjoyment. Such uses include, but are not limited to, landscaped open space, child play areas, courtyards, patios, sun decks, balconies, terraces, swimming pools, saunas, exercise areas, craft and games rooms.

AMENITY AREA - COMMON means an amenity area designed for use on a shared basis by the occupants of more than one dwelling unit in the building and where a common access is provided to the amenity space.

AMENITY AREA - PRIVATE means an amenity area designed for the exclusive use of the occupants of a specific dwelling unit, providing a degree of visual privacy for the occupants and located within, or immediately adjacent to, the dwelling unit.

Added by
#1607-1998

ASSOCIATED OFFICE means any office related to, accessory to, or ancillary to one or more of the permitted uses.

APARTMENT means a type of building containing three (3) or more dwelling units which has its principal access from an entrance common to the dwellings.

BASEMENT means that portion of a building between two floor levels which has more than one-half of its height from finished floor to finished ceiling below the grade of the ground.

BUILDING means any structure used or intended for supporting or sheltering any use or occupancy.

Amended by
#1480-1996

CAMPGROUND means a site providing for the seasonal and temporary accommodation of travellers using tents, trailers, or recreation vehicles, but specifically excludes a mobile home park, hotel, or motel. Occupancy of the campground shall be limited to a maximum stay of one hundred and fifty (150) days per calendar year.

CELLAR means that unhabitable portion of a building between two floor levels which has more than one-half of its height from finished floor to finished ceiling below the grade of the ground.

CHURCH means a building wherein persons regularly assemble for religious worship or related religious activities and which is maintained and controlled by a religious body organized to sustain public worship.

CITY means the City of Terrace.

COMMUNITY CARE FACILITY means any facility licensed under the Community Care Facility Act.

COMMUNITY CHILD CARE FACILITY means a child care facility as defined in the of Child Care Regulation (section 1(2)) and licensed under the Community Care Facility Act.

CONVENIENCE STORE means a retail sales outlet which offers for sale foodstuffs and convenience goods, located in a building having a maximum gross floor area of 200 m².

COUNCIL means the Council of the City of Terrace.

DELUGE SYSTEM means an open nozzle attached to a piping system that is connected to a water supply through a valve. The valve can be opened manually or by means of a detection system installed in the same area as the nozzle. Water flow from the nozzle shall be no less than 2270 LPM (500 gpm) or as specified by a certified fire protection engineer.

DENSITY means, for commercial uses, the floor area ratio; and for residential uses, the number of dwelling units per hectare.

DEVELOPMENT means

- (1) the carrying on of any construction or excavation or their operation, in, on, over, or under land or water; or
- (2) the making of any change in or intensity of use of any land, water, building or premises.

DEVELOPMENT PERMIT means a permit issued pursuant to the Official Community Plan Bylaw No. 1312-1993.

DUPLEX means two principal dwellings located in one principal building on a parcel.

DWELLING OR DWELLING UNIT means a self contained set of rooms for the residential accommodation of a family living together as a single household and containing only one set of cooking facilities.

Added by
#1755-2002

Replaced by
#1534-1996

ENTERTAINMENT FACILITY means an enterprise where fees are charged for the provision of entertainment to the public and includes such uses as auditoriums, movie theatres, bingo halls, and pool and billiard facilities.

EXTERIOR SIDE PARCEL LINE means a parcel boundary other than a front or rear parcel line which is common to a highway other than a lane or a walkway.

FAMILY means:

- (1) two or more persons related by blood, marriage, adoption or foster parenthood sharing one dwelling ; or
- (2) not more than five (5) unrelated persons sharing one dwelling.

FAMILY DAY CARE means a child care use as defined under Part 7 of Child Care Regulation and licensed under the Community Care Facility Act.

FILLING PLANT AND/OR BULK STORAGE TANK means an L.P.G. storage facility set up to supply markets off site. Generally the capacity of L.P.G. tanks will be greater than 2000 gallons.

FINANCIAL INSTITUTION means a bank, trust company, mortgage company, credit union or similar establishment.

FIRST STOREY means the storey with its floor closest to grade and having its floor not more than 2 m above grade.

FLOOD LEVEL means the required minimum elevation associated with a design flood or where a design flood has not been determined, a specified height above a Natural Boundary.

FLOOR AREA means the area of the floor on any storey of a building between exterior walls, including the area of the floor occupied by interior walls and partitions.

FLOOR AREA RATIO means the quotient of gross floor area divided by the total parcel area.

FRONT PARCEL LINE means any parcel line common to a parcel and one highway other than a lane provided that where a parcel is contiguous to the intersection of two highways, the front parcel line is the shortest parcel line contiguous to a highway other than a lane.

GARDEN CENTRE means a facility for the sale, growing, and storage of ornamental plants and trees, and includes the supplementary retail sale of fertilizers, garden chemicals, garden implements and associated products.

GRADE means the lowest of the average levels of finished ground adjoining each exterior wall of a building.

GROSS FLOOR AREA means the sum of the total floor area of each storey in each building including exterior walls but excluding area used for parking purposes.

Amended by
#1703-2000

HEIGHT means the vertical distance from the approved grade to the highest point of any roof structure/design.

HIGHWAY means a street, road, lane, bridge and any other way open to public use, but does not include a private right-of-way on public property.

HOME INDUSTRY means any occupation or profession of a more industrial nature carried out in a dwelling unit or any accessory building by the family which is permanently resident in the dwelling unit, where such occupation or profession is clearly incidental or secondary to the use of the dwelling unit for residential purposes. Such uses include, but are not limited to, enclosed repair and storage of home industry related vehicles and machinery, stables and premises for contractors.

HOME OCCUPATION means any occupation or profession carried out in a dwelling unit or an accessory building by the family which is permanently resident in the dwelling unit, where such occupation or profession is clearly incidental or secondary to the use of the dwelling unit for residential purposes.

HOTEL means a building which contains sleeping units which have its principal access from an entrance common to the units. It may contain assembly, commerce, entertainment, indoor recreation, or restaurant uses and premises licensed for on-site consumption of alcoholic beverages.

INTENSIVE AGRICULTURE means the use of land, buildings and structures by a commercial enterprise or an institution for the confinement of poultry, livestock or fur bearing animals, or the growing of mushrooms.

INTERIOR SIDE PARCEL LINE means an parcel boundary between two (2) or more parcels other than a front or rear parcel line.

Added by
#1755-2002

L.A.F.C. means the local assistant to the Fire Commissioner and is referring to the Municipal Fire Chief.

Added by
#1755-2002

L.P.G. means liquefied petroleum gas.

LANDSCAPING means the planting and maintenance of some combination of trees, shrubs, hedges, ground cover, lawns or other horticultural elements for the enhancement of outdoor areas.

LANE means a highway which provides secondary access to the side or rear of the parcel and is less than 8 m wide.

Added by
#1670-1999

LIVE/WORK STUDIO means a mixed use building wherein any occupation or profession, including those of a light industrial nature, may be carried out in conjunction with a residential use; provided both uses take place, occur within the building itself, require no outside storage and the business is conducted by a permanent resident of the dwelling. This use is intended to encourage artists and craftspeople to undertake their business, to which accessory sales are permitted.

LODGING HOUSE means a building other than a hotel, motel or rest home containing three (3) or more sleeping units and which has no more than four (4) units which share a common cooking facility.

MANUFACTURING, GENERAL means a facility for the manufacturing, processing, production, assembly and packaging of materials, goods or products.

MANUFACTURING, LIGHT means a facility for the manufacturing, processing, production, assembly and packaging of materials, goods or products, which is not offensive by reason of smoke, noise, vibration, dirt, glare, odour or electrical interference.

MANUFACTURING, SPECIALTY means a facility for small-scale, on-site production of goods including, but not limited to, such uses as bakeries, craft shops, art and sculpture studios, and furniture makers.

MOBILE HOME means any structure containing one dwelling whether ordinarily equipped with wheels or not, that is designed, constructed or manufactured to be moved from one place to another by being towed or carried, but does not include travel trailers, campers or other vehicles exempt from the provisions of the Mobile Home Act.

MOBILE HOME PARK means a parcel on which are installed or intended to be installed two or more mobile homes which are occupied or intended to be occupied on such a parcel for residential purposes and may include common recreation and laundry facilities.

MOTEL means a building or buildings containing sleeping units, not exceeding three (3) storeys in height, primarily designed to provide accommodation for travelling motorists.

MULTI-FAMILY DWELLING means any building consisting of three (3) or more dwelling units, each of which is occupied or intended to be occupied as the permanent home or resident of one family.

MUNICIPALITY means the City of Terrace.

NATURAL BOUNDARY means the visible high watermark of any lake, river, stream, or other body of water where the presence and action of the water are so common and usual and so long continued in all ordinary years as to mark upon the soil of the bed of the lake, river, stream, or other body of water a character distinct from that of the banks thereof, in respect to vegetation, as well as in respect to the nature of the soil itself, as defined in Section 1 of the Land Act, and also includes the edge of dormant side channels of any lake, river, stream, or other body of water.

NATURAL GROUND means the undisturbed ground elevation prior to site preparation.

NEIGHBOURHOOD PUB means premises licensed as a neighbourhood public house in accordance with the Liquor Control and Licensing Act.

NIGHTCLUB means a premise where entertainment is provided to patrons and is licensed in accordance with the Liquor Control and Licensing Act.

OFFICIAL COMMUNITY PLAN means a community plan that is adopted by the Council of the City of Terrace pursuant to Section 947 of the Municipal Act.

PAD means a paved surface on which blocks, posts, runners or strip footings are placed for the purpose of supporting a manufactured home; a concrete pad, slab or floor supporting a space or room (e.g. basement).

PANHANDLE PARCEL means a parcel which is connected to a highway by a relatively long and slim strip of land, of sufficient width to provide legal and practical access to a highway; the panhandle shall not be considered as part of the calculation for minimum parcel width.

PARCEL means any lot, block or other area in which land is held or into which it is subdivided, but does not include a highway.

PARCEL AREA means the total area of the parcel expressed in square metres or hectares.

PARCEL COVERAGE means the percentage of a parcel's gross area covered by buildings and structures.

PARCEL WIDTH means the horizontal distance between opposite side parcel lines measured at the minimum setback from the front parcel line along a line perpendicular to the centre line of the parcel.

PARKING SPACE means an area identified for the parking of one motor vehicle, and does not include aisle space and other areas providing access to the parking space.

PERSONAL SERVICE ESTABLISHMENT means a business where the sale of retail goods is only accessory to the provision of such services. Personal service establishments include but are not limited to barber shops, beauty shops, laundromats and shoe repair shops.

PRINCIPAL BUILDING means the building which is the chief or main one among buildings on the parcel and shall include attached garages and carports, but does not include an accessory building.

PRINCIPAL USE means the main purpose for which land, buildings or structures are ordinarily used.

PUBLIC UTILITY means a system, work, building, plant, equipment or resource owned by a municipality, public or private utility company or other government agency for the provision of water, sewer, drainage, gas, electricity, transportation, communication services, or public works yards.

Added by
#1755-2002

PROPANE FILLING STATION means a retail facility using a tank of less than 2000 gallons in order to fill small domestic use propane tanks (i.e. campers, barbeques, etc.).

Added by
#1755-2002

PROPANE TANK, PROPANE STORAGE CONTAINER, PROPANE CONTAINER all refer to an approved vessel designed to hold, store and/or transport L.P.G.

PUBLIC ASSEMBLY means the gathering of persons for charitable, civic, cultural, educational, entertainment, philanthropic, political, recreational, or other professional occupations.

RECREATIONAL FACILITY - INDOOR means a facility for the provision of recreation and sports facilities primarily conducted indoors such as arcades, arenas, fitness clubs, racquet courts, gymnasias, dance studios, swimming pools and bowling alleys.

RECREATIONAL FACILITY - OUTDOOR means a facility for the provision of recreation and sports facilities primarily conducted outdoors such as a stadium, golf course, driving range, waterslide, mini golf, theme park and go-cart track.

REAR PARCEL LINE means the boundary of a parcel which lies the most opposite to and is not connected to the front parcel line.

Added by
#1755-2002

REFILL CENTRE means a retail L.P.G. storage facility set up to supply L.P.G. on site or through deliveries. Capacity of L.P.G. tanks may vary.

RETAIL STORE means a building where things are offered or kept for sale at retail; and stored in limited quantities. A retail store includes but is not limited to antique store, arts and crafts store, appliance sales and service, baker store, beer and wine store, book store, butcher shop, camera shop, candy store, clothing store, confectionary store, delicatessen, department store, drug store, fish market, furniture store, gift shop, grocery store, hardware store, liquor store, music store, pet store, photography studio and store, shoe store and repair; souvenir shop; sports shop; stationary store; tailor; toy store, travel agency, variety store and video store.

RESTAURANT means an eating establishment where food is sold to the public primarily for immediate consumption upon the premises.

SCREENING means the use of a continuous fence, wall, berm, landscaping or combination thereof to screen the property which it encloses and is broken only by access driveways and walkways.

Replaced by
#1957-2010

SECONDARY SUITE means a second and subordinate dwelling unit within a single detached dwelling or within an accessory building where permitted by this Bylaw.

SERVICE STATION means premises used principally for the retail sale of motor fuels, lubricating oils, and motor vehicle accessories, retail sales by way of vending machines and the servicing of motor vehicles, but not other retail sales, any wholesale sales or motor vehicle structural or body repairs or painting.

SETBACK means the required minimum distance between a building, floor area, or structure and each of the prospective property lines; or the required minimum distance from a watercourse, or other body of water to any landfill or structural support required to elevate a floor system or pad above the Flood Level.

Replaced by
#1534-1996

SINGLE DETACHED DWELLING means a building containing only one dwelling unit.

SLEEPING UNIT means a set of habitable rooms used or intended to be used for sleeping and living purposes, but not including a sink or cooking facilities. A bathroom containing a water closet, wash basin and a bath or shower may be shared.

STOREY means the portion of a building, excluding a basement or cellar, that is situated between the top of any floor and the top of the floor next above it, or the ceiling above it where there is no floor above the ceiling.

STRUCTURE means any construction auxiliary to a principal building fixed to, supported by or sunk into land or water including, but not limited to, swimming pools, satellite dishes, parkades and retaining walls. Structures shall not include fences, signs, or concrete, asphalt, brick or tile surfaced areas.

Added by
#1869-2006

TECHNICAL CONSULTING FIRM means a consulting practice requiring office space and/or lab space that regularly conducts field work as part of its business activities. A technical/professional consulting firm may include, but is not necessarily limited to, surveying, engineering, mining, forestry and environmental consulting practices.

Added by
#1780-2003

TOURISM RETAIL STORE means a specialty commercial store that has a component related to historical, cultural and tourist atmospheres.

TOWNHOUSE means a building not more than three (3) storeys high, divided into three (3) or more attached dwelling units, where each dwelling unit has a separate, private entrance.

USE means the purpose or function to which land, buildings, or structures are designed, intended to be put, or put.

ZONE means a category established under the Zoning Division of the Municipal Act and this Bylaw.

3.0 ADMINISTRATION

3.1 Application

This Bylaw applies to all land, buildings and structures including the surface of water within the boundaries of the City of Terrace.

3.2 Conformity

Land, including the airspace or surface water shall not be used and buildings and structures shall not be constructed, altered, located or used except as specifically permitted in this Bylaw.

3.3 Severability

If any section, subsection, sentence, clause or phrase of this Bylaw is for any reason held to be invalid by the decision of any court of competent

jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remainder.

3.4 Inspection

Any official of the municipality duly appointed by Council is hereby authorized to enter, at all reasonable times, upon any property subject to the regulations of this Bylaw to ascertain whether the provisions of this Bylaw are being observed.

3.5 Violation

Every person who:

- .1 violates any of the provisions of this Bylaw;*
- .2 causes or permits any act or thing to be done in contravention or violation of any of the provisions of this Bylaw;*
- .3 neglects or omits to do anything required under this Bylaw;*
- .4 carries out, causes or permits to be carried out any development in a manner prohibited by or contrary to any of the provisions of this Bylaw;*
- .5 fails to comply with an order, direction or notice given under this Bylaw; or*
- .6 prevents or obstructs or attempts to prevent or obstruct the authorized entry of an officer onto property under Section 3.4.*

shall be deemed to be guilty upon summary conviction of an offence under this Bylaw.

3.6 Offence

Each day's continuance of an offence under Section 3.5 constitutes a new and distinct offence.

3.7 Penalty

Every person who commits an offence under this Bylaw is liable on summary conviction to a fine not exceeding \$2,000 and the costs of prosecution.

3.8 Purpose

The principal purpose of this Bylaw is to guide the natural growth of the Municipality in a systematic and orderly way for the ultimate benefit of the community as a whole, and to ensure that the development and use of

3.8 Purpose...cont'd

land and the location and use of buildings erected therein is planned with due regard for:

- .1 the promotion of health, safety, convenience, and welfare of the public;*
- .2 the control of the density of land, and the preservation of the amenities peculiar to any zone;*
- .3 the securing of adequate light, air, and access;*
- .4 the value of the land and the nature of its present and prospective use and occupancy;*
- .5 the character of each zone, the character of the buildings already erected, and the peculiar suitability of the zone for particular uses;*
- .6 the conservation of property values;*
- .7 the fulfilment of community goals in accordance with the Municipality's Official Community Plan;*

and every section of this Bylaw shall be so interpreted.

4.0 GENERAL REGULATIONS

4.1 Application

Except as otherwise specified in this Bylaw, Sections 4.2 to 4.19 inclusive apply to all zones established under this Bylaw.

4.2 Accessory Use

No accessory building, structure or use shall be permitted on any parcel unless the principal building to which the building, structure or use is an accessory has been erected or will be erected simultaneously with the accessory building, structure or use.

4.3 Accessory Buildings

Amended by #1957-2010

The following regulations shall apply to accessory buildings and structures in all zones:

- .1 Minimum setback*
 - front parcel line* *no closer than the minimum setback in the applicable zone*

- *interior side parcel line* *1.5 m*
- *exterior side parcel line* *3.0 m*
- *rear parcel line* *1.5 m*

4.3 Accessory Buildings...cont'd

Amended by
#1480-1996(2.1)
& #1703-2000

.2 Maximum height

- residential and rural (RR2) zones 5.1 m
- rural (RR1) zones 6.4 m
- commercial and public use zones 6.4 m
- industrial and rural (AR1 and AR2) zones 12 m

Amended by
#1480-1996(2.2),
#1703-2000, #1957-2010

.3 Maximum size

- residential and rural (RR2) zones 8% of the lot area to a maximum of 55 sq.m. or 50% of the ground floor area of the Principal Building, whichever is less
- Rural (RR1) zones 8% of the lot area to a maximum of 90 sq.m. or 65% of the ground floor area of the Principal Building, whichever is less
- Rural (AR1 and AR2) zones Unlimited, unless the use is for a Secondary Suite in which case the Accessory Building shall not exceed 80% of the total floor area of the principal dwelling
- Commercial, Industrial and Public Uses zones Unlimited, unless use is entirely residential, then the requirements of residential zones shall apply

Where accessory buildings are attached to the principal building, they shall be considered to be part of the principal building and subject to the required setbacks for the principal building.

4.4 Application of Siting Requirements to Strata and Bare Land Strata Parcels

- .1 Siting regulations under this Bylaw apply to bare land strata parcels.
- .2 The interior side parcel line requirements of this bylaw shall not apply to strata parcels under a registered plan pursuant to the Condominium Act where there is a common wall shared by two or more dwellings within a building.

4.5 Agricultural Land Reserve

Notwithstanding any other provisions in this Bylaw, all lands within the Agricultural Land Reserve are subject to the provisions of the Agricultural Land Commission Act and amendments thereto as administered by the British Columbia Agricultural Land Commission.

4.6 Land Use Contracts

Where regulations set forth in this Bylaw conflict with the terms and conditions contained in an existing Land Use Contract, the terms and conditions in the Land Use Contract shall prevail.

4.7 Public Utility Use

Public utility uses other than public works yards shall be permitted in all zones.

4.8 Non-Conforming Parcels

Parcels existing on the effective date of this Bylaw which do not conform with the minimum parcel area or width requirements of this Bylaw may be used for any of the permitted uses outlined in the zone applied to the parcel provided that all other requirements applicable within that zone can be met and provided that no other regulations are contravened.

4.9 Projections

No building or structure other than the following shall be located in the setbacks required by this Bylaw:

- .1 steps, balconies, uncovered patios or decks, porches, canopies and sunshades, provided the projections do not extend beyond 1.2 m or fifty (50) percent, whichever is less, into the required interior side and exterior side parcel line setback and 3.0 m or fifty (50) percent, whichever is less, into the required front and rear parcel line setbacks.*
- .2 eaves, cornices, sills, belt courses, windows, chimneys or other similar features, provided the projections do not extend beyond 0.6 m into all required setbacks.*
- .3 fuel pump islands in a front or side parcel line setback, provided that such pump islands shall not be located closer than 4.5 metres from a parcel line in an Industrial zone and 6 metres from a parcel line in a Commercial zone.*

4.10 Height Exceptions

Any of the following structures may exceed the maximum height regulations of this Bylaw:

- .1 chimney;*
- .2 church spire, belfry;*
- .3 hose and fire alarm tower;*
- .4 flag pole, lighting pole;*
- .5 monument;*
- .6 radio and television tower or antenna;*
- .7 storage silos;*
- .8 industrial cranes;*
- .9 communications tower;*
- .10 water tower;*
- .11 mechanical appurtenance on rooftops.*

4.11 Home Occupations

Home occupations shall comply with the following regulations:

- .1 Maximum of one home occupation is permitted per parcel.*
- .2 Where a home occupation is to be located on a parcel zoned Residential, R1 through R7 zones inclusive, or in the RR2 zone, the home occupation:*
 - shall be wholly contained within a dwelling unit or accessory building; and*
 - shall not occupy more than 30% of the gross floor area of the dwelling unit to a maximum of 70 square metres; and*
 - all home occupation activity, including storage and work area, shall be within the dwelling unit or accessory building; and*
 - a maximum of one home occupation related vehicle shall be permitted, provided it is no larger than one ton.*

4.12 Home Industry

Home industries shall comply with the following regulations:

- .1 Maximum of one home industry is permitted per parcel.*
- .2 Where a home industry is to be located on a parcel zoned Rural, with the exception of the RR2 zone, the home industry:*
 - shall be wholly contained within a dwelling unit or accessory building; and*
 - shall not occupy more than 30% of the gross floor area of the dwelling unit to a maximum 70 square metres; and*
 - all home industry activity, including storage and work area, shall be within the dwelling unit or accessory building; and*
 - a maximum of one home industry related vehicle shall be permitted, provided it is no larger than one ton.*
- .3 Notwithstanding Section 4.12.2 above, a contractor use as a home industry shall be limited to parcels zoned AR1 or AR2 only and subject to the following additional regulations:*
 - 7.5 metre minimum side and rear parcel line setbacks for storage and accessory building;*
 - maximum floor area of 93 square metres for accessory building; increased to 278 square metres when 60 metre front parcel line setback is provided;*
 - maximum of 4 home industry related vehicles shall be permitted;*
 - maximum outdoor storage area of 70 square metres.*

4.13 Amenity Area

Amenity areas shall be provided for residential development of three or more dwelling units on a parcel in accordance with the following regulations:

- .1 A private amenity area not less than 15 square metres and having a minimum dimension of 3 metres shall be provided for and contiguous to each ground oriented dwelling unit.*
- .2 A private amenity area not less than 5 square metres and having a minimum dimension of 1.5 metres shall be provided for and contiguous to each dwelling unit.*
- .3 A common amenity area not less than 200 square metres and a minimum dimension of 6 metres shall be provided for all multi-family uses with more than 10 units.*

4.14 Secondary Suites

Amended by
#1534-1996

Secondary suites where permitted in a zone by this Bylaw are subject to the following regulations:

- .1 Only one Secondary Suite shall be permitted on a Parcel.*
- .2 The maximum floor area of a Secondary Suite in a Principal Building shall not exceed the lesser of 90 square metres or 40% of the total floor area of the Principal Building in which it is located.*
- .3 The maximum floor area of a Secondary Suite in an Accessory Building shall not exceed 90 square metres.*
- .4 A Secondary Suite in a Principal Building shall not be sited on a Parcel having a Parcel Area of less than 500 square metres nor a Parcel Width of less than 15 metres.*
- .5 A Secondary Suite in an Accessory Building shall not be sited on a Parcel having a Parcel Area of less than 1.0 acre (4047 square metres) nor a Parcel Width of less than 30 metres.*
- .6 Strata titling of a Secondary Suite is not permitted.*

Amended by #1957-2010

4.15 Visual Clearance at Intersections

In any zone, no fence, wall or structure shall be erected to a height greater than 1 metre and no hedge, bush, shrub, tree or other growth shall be maintained or allowed to grow so as to obstruct vision clearance in the area bounded by the intersecting parcel lines at a street, lane, or driveway entrance corner and a line joining points along side parcel lines or driveway pavement edge 6 metres from their point of intersection as illustrated in Figure 1, the diagram below.

Figure 1

4.16 Screening and Landscaping

Screening and landscaping shall be provided under the following conditions:

- .1 In all zones except Residential zones, outdoor storage, outdoor garbage bins, and parking areas shall be completely screened from the street and adjacent residential properties.*
- .2 All portions of a parcel not covered by buildings, structures, or paved areas shall be landscaped.*
- .3 In all zones, a continuous landscaping strip of a minimum 2.5 metres in width shall be provided along the sides of the parcel which abut a street.*
- .4 Where an Industrial zone abuts any commercial or residential use, continuous screening which is not less than 2 metres in height shall be provided within the setbacks of the Industrial zone.*
- .5 In all Commercial zones which abut a residential use, a suitable form of screening and landscaping shall be provided within the setbacks adjacent to the residential properties.*
- .6 All parking structures or parkades shall provide a suitable form of screening or landscaping to buffer visibility from adjacent uses.*

Amended by
#1670-1999

Added by
#1670-1999

4.17 Fences

- .1 Subject to the vision clearance provisions of Section 4.15, the following height limitations shall apply to fences:*
- .1 For a parcel within the following zones the maximum height of fences shall be:*

	<u>front yard</u>	<u>rear yard</u>
• <i>Rural and Residential zones</i>	<i>1.0 m</i>	<i>1.8 m</i>
<i>Commercial, Industrial and Public use zones</i>	<i>1.0 m (1.8 m open mesh)</i>	<i>1.8 m (3.0 m open mesh)</i>

4.17.1 Fences...cont'd

.2 For a parcel abutting a major roadway or at the interface of Industrial and Residential zones the maximum height of fences shall be:

	<u>front yard</u>	<u>rear yard</u>
• Rural and Residential zones	1.8 m	2.0 m
• Commercial, Industrial and Public use zones	1.0 m (1.8 m open mesh)	1.8 m (3.0 m open mesh)

.2 Notwithstanding Section 4.17.1 above, for a parcel within a Public Use zone where an open mesh fence is provided, the maximum height of the fence may be increased to 3.6 metres.

.3 No fence shall be constructed using barbed wire except:

- in a Rural zone and only for the containment of livestock; and
- in Commercial, Industrial or Public Use zones if the barbed wire is kept above a height of 1.8 metres.

.4 No fence shall be constructed using electrified wire except in a Rural zone and only for the containment of livestock.

.5 No fence in any zone shall be constructed using razor wire, ribbon wire, or ultra barrier wire.

Replaced by **4.18**
#1480-1996
(2.3)

Floodplain Specifications**.1 Floodplain Designation**

The following land is designated as Floodplain:

- Land designated by the Minister of Environment, Lands and Parks as Floodplain within the boundaries of the City of Terrace and approximately as shown on the Natural Hazards schedule of the Official Community Plan;
- Land lower than the Flood Levels specified in Section 4.18.2;
- Land within the setbacks specified in Section 4.18.3.

4.18 Floodplain Specifications...cont'd

.2 Flood Level

The following elevations are specified as the flood level, except that where more than one flood level is applicable, the higher elevation shall be the flood level:

- *the flood level for a specific property, as determined by interpolation from those flood levels shown on designated Floodplain mapping approved by the Minister of Environment, Lands and Parks;*
- *3.0 metres above the natural boundary of Spring Creek;*
- *1.5 metres above the natural boundary of Howe Creek and Heek Brook;*
- *1.5 metres above the natural boundary of any nearby water course.*

.3 Setback

The following distances are specified as the setback, except that where more than one setback is applicable, the greater distance shall be the setback:

- *60.0 metres from the natural boundary of Skeena River;*
- *30.0 metres from the natural boundary of Kitsumkalum River;*
- *15.0 metres from the natural boundary of Spring Creek;*
- *15.0 metres from the natural boundary of Howe Creek and Heek Brook;*
- *15.0 metres from the natural boundary of any nearby watercourse;*
- *7.5 metres from any dyke right-of-way.*

.4 Application of Floodplain Specifications

Where a flood level or setback has been specified:

- *The underside of any floor system, or the top of any pad supporting any space, room or manufactured home, that is used for dwelling purposes, business, or the storage of goods which are susceptible to damage by floodwater shall be above the specified flood level.*

4.18.4 Floodplain Specifications...cont'd

- *Any landfill required to support a floor system or pad shall not extend within any setback from a water course or body of water specified by the bylaw or the Minister of Environment, Lands and Parks.*
- *Structural support or compacted landfill or a combination of both may be used to elevate the underside of the floor system or the top of the pad above the flood level specified in Section 4.18.2. The structural support and/or landfill shall be protected against scour and erosion from flood flows, wave action, ice and other debris.*
- *The Building Inspector, or such person appointed by the Council of the City of Terrace may require that a British Columbia Land Surveyor's certificate be required to verify compliance with the flood level and setback specified in Sections 4.18.2 and 4.18.3. The cost of verification shall be assumed by the land owner.*

*Added by
#1548-1997*

.5 General Exemptions

The following types of development are exempt or conditionally exempt from the flood level specified in Section 4.18.2 of this bylaw:

Exempt

- *A renovation of an existing building or structure that does not involve an addition thereto;*
- *An addition to a building or structure, at the original non-conforming floor elevation, that would increase the size of the building or structure by less than 25 percent of the ground floor area (excluding carports or garages) existing at the date of adoption of this bylaw, provided that the degree of nonconformity regarding setback is not increased;*
- *That portion of a building or structure to be used as a carport, garage or entrance foyer;*
- *Farm buildings other than dwelling units and closed-sided livestock housing.*

4.18.5 Floodplain Specifications...cont'd

Conditionally Exempt

- *Industrial uses, other than main electrical switchgear, shall be located with the underside of a wooden floor system or the top of pad no lower than 0.6 metres lower than the flood level specified in Section 4.18.2 of this bylaw;*
- *Main electrical switchgear shall be no lower than the flood level.*

*Added by
#1548-1997*

6. Site-Specific Exemptions

An application by a property owner to the Minister of Environment, Lands and Parks for a site-specific exemption shall be completed upon a form provided by the City of Terrace and submitted in accordance with the instructions on the application.

4.19 Offstreet Parking and Loading

.1 Application of Regulations

Space for the offstreet parking and loading of motor vehicles in respect of a use permitted under this Bylaw shall be provided and maintained in accordance with the regulations of this section.

.2 Exemption of Existing Buildings from Parking and Loading Requirements

The regulations contained in this section shall not apply to buildings, structures and uses existing on the effective date of this Bylaw except that:

- .1 Offstreet parking and loading shall be provided and maintained in accordance with this section for any addition to any existing building and structure or any change or addition to such existing use;*
- .2 Offstreet parking and loading provided prior to the adoption of this Bylaw shall not be reduced below the applicable offstreet parking requirements of this section.*

4.19 Offstreet Parking and Loading...cont'd**.3 Number**

- .1 The number of offstreet parking spaces for motor vehicles required for any use is calculated according to Table 1 of this Bylaw in which Column I classifies the types of uses and Column II sets out the number of required offstreet parking spaces that are to be provided for each use in Column I;*
- .2 In respect of a use permitted under this Bylaw which is not specifically referred to in Column I of Tables 1 and 2 the number of offstreet parking and loading spaces is calculated on the basis of the requirements for a similar use that is listed in Table 1 and Table 2;*
- .3 Where the calculation of the required offstreet parking and loading spaces results in a fraction, one parking or loading space shall be provided in respect of the fraction;*
- .4 Where seating accommodation is the basis for a unit of measurement under this section and consists of benches, pews, booths or similar seating accommodation each 0.5 metres of width of such seating shall be deemed to be one seat or seating place;*
- .5 Where more than one use is located on a parcel, the total number of parking or loading spaces to be required shall be the sum total of the requirements for each use;*
- .6 Where more than one use is located in a building, the total number of parking or loading spaces to be required may recognize the mixed use and determine the number of spaces required based on the various portions of the building dedicated to each use.*
- .7 Where more than one standard may apply to a use, the standard requiring the greatest number of parking spaces shall be used.*
- .8 Where parking spaces per person is applied the total number of persons shall be according to the maximum occupancy load established by the B.C. Building Code.*

4.19 Offstreet Parking and Loading...cont'd

.4 Location

- .1 For uses in Rural and Residential zones, offstreet parking spaces shall be located on the same parcel as the use they serve.
- .2 Excluding uses in Rural and Residential zones, if sufficient offstreet parking spaces cannot be provided on the same parcel, required offstreet parking spaces may be located on another parcel within 228.6 metres of the building or use the spaces serve.
- .3 If parking is not located on the same parcel as the parcel these spaces serve, a restrictive covenant, pursuant to Section 215 of the Land Titles Act, shall be registered. The covenant must be registered on the title of the parcel that accommodates the parking spaces.
- .4 Offstreet loading spaces shall be located on the same parcel as the use they serve.

.5 Standard

90°	2.8m	2.8m	5.5m	7.0m	7.0m

^a **5.5m for an end space**

- .1 Each offstreet parking space required by this Bylaw shall not be less than 2.8 m in width, 5.5 m in length and 2.1 m in height.
- .2 Each offstreet parallel parking space shall not be less than 3.0 m in width and 7.3 m in length (except 5.5 m in length for an end space).
- .3 Adequate provision shall be made for individual entry or exit by vehicles to all parking spaces at all times by means of unobstructed manoeuvring aisles, having widths not less than:
- . 1 7.0 m: where parking spaces are located at 90° to the manoeuvring aisle providing access to the space;
- . 2 6.0 m: where parking spaces are located at 60° or less to the manoeuvring aisle providing access to the space;
- . 3 One-way cross aisles shall have a minimum width of 4.0 m. Two-way cross aisles shall have a minimum width of 7.0 m. Cross aisles are traffic corridors connecting manoeuvring aisles.

4.19.5.3 Offstreet Parking and Loading...cont'd

- . 4 *All parking and loading areas shall be provided with adequate curbs in order to retain all vehicles within such permitted parking areas, and to ensure that required fences, walls, hedges or landscaped areas, as well as any buildings, will be protected from parked vehicles.*
- . 5 *Except for one-family and two-family dwellings, all parking and loading areas shall be surfaced with an asphalt, concrete, brick or similar pavement so as to provide a surface that is durable and dust-free and shall be graded and drained as to properly dispose of all surface water.*
- . 6 *All parking and loading areas shall have entrances, exits and spaces illuminated to a minimum of 5.8 lux/m² for low activity parking areas (local merchants, industrial employees, educational) and a minimum of 11.5 lux/m² for medium activity parking areas (shopping centres, hospitals, and fast food, transportation [e.g. bus terminals], cultural, recreational and multi-family residential uses).*
- . 7 *Any lighting used to illuminate any parking and loading areas or parking garages shall be so arranged that all direct rays of light are reflected upon such parking or parking garage, and not on any adjoining premises or highways.*
- . 8 *Despite the provisions of Section 4.19.4.2, within downtown Terrace, parking provided on a separate parcel from the use may be located at distances greater than 228.6 metres, provided the OCP criteria are met and the parking is approved by a local authority.*

4.19 Offstreet Parking and Loading...cont'd**.6 Handicapped Parking**

Handicapped parking shall be provided in accordance with the provisions of the B.C. Building Code.

.7 Ministry of Transportation and Highways Standards

Development within 800 m of Highway 16 shall comply with the requirements of the Ministry of Transportation and Highways pursuant to Section 57 of the Highway Act, in addition to the requirements of this Bylaw.

.8 Cash-in-lieu

Provided a cash-in-lieu bylaw has been approved, up to one-half of the required number of parking spaces may be provided for through the municipal collection of fees for the development of comprehensive parking structures, on-street parking and parkades.

4.19 Offstreet Parking and Loading...cont'd

Renumbered
by #1670-1999

.9 Offstreet Loading

- .1 No use may be undertaken in any zone unless the offstreet loading requirements in this Bylaw have been met for that use.
- .2 Offstreet parking spaces shall not be credited as offstreet loading spaces.
- .3 Each offstreet loading space shall not be less than 8.0 m in length, 3.5 m in width and provide no less than 4.0 m of vertical clearance.
- .4 Any loading space and access to it within the same parcel shall be located as not to interfere with street traffic, pedestrian traffic or customer parking.

**TABLE 2
REQUIRED OFF-STREET LOADING SPACES**

COLUMN I Use	COLUMN II Required Number of Spaces
<i>Commercial</i>	
• Buildings which have less than 500 m ² of gross floor area	1
• Buildings which have between 500 m ² to 2,000 m ² of gross floor area	2
• Buildings which have more than 2,000 m ² of gross floor area	3
<i>Industrial</i>	
• Buildings which have less than 1,500 m ² of gross floor area	1
• Buildings which have between 1,500 and 3,000 m ² of gross floor area	2
• Buildings which have more than 3,000 m ² of gross floor space	3
<i>Institutional</i>	
• Buildings which have less than 2,800 m ² of gross floor area	1
• Buildings which have 2,800 m ² or more gross floor area	2
<i>Residential</i>	
• For every 2,000 m ² of gross floor area used for apartment units or townhouse units	1

OS	Open Space/Natural
GSC	Groundside Commercial
ASC	Airside Commercial

5.2 Zone Title

The correct name of each zone provided for in this Bylaw is set out in Column I of Table 3, Section 5.1 and the inclusion of the names contained in Column II of Table 3, Section 5.1 is for convenience only.

5.3 Location of Zones

The location of each zone is established on Schedule A, the Zoning Map of this Bylaw which is attached hereto and forms part of this Bylaw.

5.4 Zone Boundaries

Where a one boundary is shown on Schedule A, the Zoning Map, as following a road or rail right-of-way or water course, the centreline of such right-of-way or water course shall be the zone boundary.

Where the zone boundary does not follow a legally defined line, and where the distances are not specifically indicated, the location of the zoning boundary shall be determined by scaling from the Zoning Map.

5.5 Statements of Purpose

The inclusion of the statements of purpose in each zone are provided for convenience only.

5.6 Metric Unit

Metric units are used for all measurements in this bylaw. The approximate equivalents in Imperial units, shown in brackets, are provided for convenience only.

6.0 RESIDENTIAL ZONES

6.1 R1 - One Family Residential

.1 Purpose

The purpose of the R1 zone is to provide for low density residential development in the form of single detached dwellings.

.2 Permitted Uses

The following uses and no others are permitted in the R1 zone:

- .1 single detached dwelling;*
- .2 home occupation;*
- .3 family day care for 8 children or less;*
- .4 accessory use;*

.3 Regulations

On a parcel zoned R1, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in the table below in which Column I sets out the matter to be regulated and Column II sets out the regulations.

6.1.3 R1 - One Family Residential...cont'd

Amended by
#1480-1996
(3.1)

COLUMN I	COLUMN II

6.4 R4 - Medium Density Multi-Family Residential...cont'd

.4 Special Regulations

- .1 *Notwithstanding Section 6.4.3.5, the maximum density in the R4 zone may be increased to a maximum of 80 dwelling units per hectare in accordance with the table below. In the table below, Column I sets out the special amenity to be provided and Column II sets out the added density assigned for the provision of each amenity.*
- .2 *Notwithstanding Section 6.4.3.6, the maximum building height may be increased to 12 metres via the Development Permit process, if any of the special amenity(ies) in the table below are provided.*

COLUMN I SPECIAL AMENITY TO BE PROVIDED	COLUMN II ADDED DENSITY
1. <i>Provision of each dwelling unit which caters to the disabled (eg. wheelchair access)</i>	◆ <i>2 units per hectare</i>
2. <i>Provision of daycare facility 7 - 10 children 11 - 15 children 16 or more</i>	◆ <i>3 units per hectare</i> ◆ <i>4 units per hectare</i> ◆ <i>7 units per hectare</i>
3. <i>Provision of below grade or parkade type parking for at least 50% of the required off-street parking</i>	◆ <i>10 units per hectare</i>
4. <i>Provision of affordable rental dwelling units in accordance with special agreement under sections 963.1 and 963.2 of the <u>Municipal Act</u></i>	◆ <i>5 units per hectare</i>

6.5 R5 - High Density Multi-Family Residential

.1 Purpose

The purpose of the R5 zone is to provide for higher density, multi-family residential development in the form of apartments. New development zoned R5 shall be required to obtain a Development Permit as per the requirements of the Official Community Plan.

*Amended by
#1822-2004*

.2 Permitted Uses

.1 The following uses and no others are permitted in the R5 zone:

- .1 apartment;*
- .2 townhouse;*
- .3 single detached dwelling;*
- .4 community care facility;*
- .5 home occupation;*
- .6 accessory use, including secondary suite within a single detached dwelling.*

.2 Despite the provisions of this Part, the following provisions shall apply to:

.1 Lot 1, District Lot 362, Range 5, Coast District, Plan BCP11475

.1 In addition to the permitted uses described in 6.5.2.1 the following uses shall be permitted:

- .1 education facilities;*
- .2 cultural facilities.*

.3 Regulations

On a parcel zoned R5, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in the table below in which Column I sets out the matter to be regulated and Column II sets out the regulations.

8.1.2 **M1 – Light Industrial...cont'd**

*Amended by
#1833-2005*

.2 Despite the provisions of this Part, the following provisions shall apply to:

.1 The East ½ of Lot 6, Block 2, District Lot 611, Range 5, Coast District, Plan 1992.

.1 In addition to uses listed in 8.1.2.1 above the following use shall be permitted for a period of two (2) years from the date of adoption of Bylaw No. 1833-2005 (up to August 7, 2007):

.1 single detached dwelling - provided that construction commences prior to December 31, 2005. If construction has not commenced by this date then the only permitted uses shall be those listed in 8.1.2.1 above.

.2 Lot A, District Lot 360, Range 5, Coast District, Plan PRP13240.

.1 In addition to uses listed in 8.1.2.1 above, the following use shall be permitted:

.1 office.

.3 Regulations

On a parcel zoned M1, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in the table below in which Column I sets out the matter to be regulated and Column II sets out the regulations.

*Added by
#1871-2006*

AIRPORT ZONE

11.1

AO - Airport

.1 Purpose

The purpose of the AO zone is to provide for the safe and efficient operation of the Terrace – Kitimat Airport. New buildings zoned AO shall be required to obtain a Development Permit and adhere to the Terrace-Kitimat Airport Design Guidelines.

.2 Permitted Uses

The following uses and no other uses are permitted in the AO zone:

- .1 runways, taxiways and associated surfaces;*
- .2 aids for navigation;*
- .3 monitoring, security, guidance and control, and lighting equipment;*
- .4 equipment storage;*
- .5 terminal building and associated use;*
- .6 building in support of airport operation;*
- .7 public utility building;*
- .8 open space;*
- .9 accessory uses and auxiliary uses that do not compromise the operation of the Airport.*

.3 Regulations

On a parcel zoned AO, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in Transport Canada Aviation, Air Navigation System Requirements Branch, Aerodrome Standards and Recommended Practices, 4th Edition, March 1993 (TP 312E).

11.2

ASC – Airside Commercial

.1 Purpose

The purpose of the ASC zone is to provide for commercial and or industrial activities that are related to aircraft access. New buildings zoned ASC shall be required to obtain a Development Permit and adhere to the Terrace-Kitimat Airport Design Guidelines.

11.2 ASC – Airside Commercial...cont'd

.2 Permitted Uses

The following uses and no other uses are permitted in the ASC zone:

- .1 aircraft operation and storage;*
- .2 aircraft repair;*
- .3 air cargo;*
- .4 training facility;*
- .5 aircraft and aircraft equipment sales, service and storage;*
- .6 aircraft fuel storage and sale;*
- .7 equipment and goods transfer depot;*
- .8 flight related research facility;*
- .9 government offices;*
- .10 accessory use, including restaurants, gift shops and offices and storage associated with the above permitted uses.*

.3 Regulations

On a parcel zoned ASC, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in Transport Canada Aviation, Air Navigation System Requirements Branch, Aerodrome Standards and Recommended Practices, 4th Edition, March 1993 (TP 312E).

- .3.1 In addition to the foregoing, minimum and maximum site area, setbacks and floor area ratio shall be determined by the Development Authority on a case by case basis.*

11.3 GSC – Groundside Commercial

.1 Purpose

The purpose of the GSC zone is to provide for commercial and or industrial activities that do not conflict with airport operations. New buildings zoned GSC shall be required to obtain a Development Permit and adhere to the Terrace-Kitimat Airport Design Guidelines.

11.3 GSC – Groundside Commercial...cont'd

.2 Permitted Uses

The following uses and no other uses are permitted in the GSC zone:

- .1 aircraft storage;*
- .2 aircraft repair;*
- .3 aircraft and aircraft equipment sales, service and storage;*
- .4 freight transport and storage operation;*
- .5 hotel;*
- .6 equipment and goods transfer depot;*
- .7 research facility;*

11.6 M2 RESERVE – Heavy Industrial Reserve**.1 Purpose**

The purpose of the M2 Reserve zone is to provide future industrial opportunities that do not conflict with airport operations.

.2 Permitted Uses

The following uses and no other uses are permitted in the M2 RESERVE zone:

.1 natural/open space.

11.7 M3 – Resource Extraction

(refer to Section 8.3 of this bylaw)

11.8 AR1 – Agricultural

(refer to Section 10.1 of this bylaw)

11.9 OS – Open Space**.1 Purpose**

The purpose of the OS – Open Space zone is to identify and preserve land for natural buffers, environmental concerns, wildlife corridors, and/or slope protection.

.2 Permitted Uses

The following uses and no other uses are permitted in the OS – Open Space zone:

.1 recreation (provided it does not compromise the intent of the Open Space);

.2 nature trails (provided they do not compromise the intent of the Open Space);

.3 roadways (provided they do not compromise the intent of Open Space); and

.4 logging of existing timber plots, identified on a Ministry of Forests development plan as of the date of the adoption of this bylaw, will be permitted provided they are replanted in a timely manner.

12.0 REPEALING

The City of Terrace Zoning Bylaw No. 401-1966 and all amendments thereto is hereby repealed.

13.0 CITING

This Bylaw may be cited as "**City of Terrace Zoning Bylaw No. 1431-1995**".

This Bylaw is consolidated for convenience only. If discrepancies exist between this consolidation and the original bylaws, the original bylaws shall prevail.

BYLAW #1431-1995 READ a first time this 8th day of May, 1995.

BYLAW #1431-1995 READ a second time this 19th day of June, 1995.

PUBLIC HEARINGS FOR BYLAW #1431-1995 held the 12th day of June, 1995 and the 24th day of July, 1995.

BYLAW #1431-1995 READ a third time this 24th day of July, 1995.

RECEIVED APPROVAL OF MINISTRY OF TRANSPORTATION & HIGHWAYS FOR BYLAW #1431-1995 this 11th day of August, 1995.
