

CITY COUNCIL HIRES MAGGIE HALL AS THE NEW CITY MANAGER

Hall will assume her duties effective May 1, 2023

The City of Terrace Council is pleased to announce that Maggie Hall, MA, has accepted the role of City Manager. Hall will begin her duties effective May 1, 2023. She replaces outgoing City Manager, Kris Boland.

Hall has spent the last six months as the City of Terrace's Deputy City Manager/Economic Development Officer, being mentored by Boland. She previously spent three years in local government, most recently as the Director of Economic Development and Communications at the District of Kitimat. Hall has also worked for the United Nations Association in Canada and Simon Fraser University. Her experience is in economic development, community engagement, leadership, project management, strategy development, and communications. In her short time at the City of Terrace, she has been instrumental in securing millions of dollars in grant money and helping to develop strategic policy.

"We are thrilled to hire someone with Hall's drive, strategy, and understanding of the northwest," said Mayor Sean Bujtas. "We are very fortunate to have someone so well positioned inside the organization already."

"I am honoured to continue my work with the City of Terrace in this new capacity," said Hall. "I want to extend sincere gratitude to Kris Boland for his leadership during his time at the City, to Council for their trust and support, and to City staff for their continued dedication and adaptability. I am looking forward to building on the successes of Council, staff, and the community to continue to make Terrace a great place to live and work."
