

Feedback from City of Terrace Spirit Square Open House Dec. 2/2008

The City of Terrace has received provincial “Spirit Square” funding to revitalize lower George Little Park and is seeking community input into the process. Please provide your thoughts/ideas to any or all of the questions below.

1. Opportunities and Challenges

a) What do you feel are the current challenges or issues in George Little Park?

- Lack of positive activities
- Negative activity
- Needs lighting
- Attractive architecture needed
- Vandalism
- Lack of shelter
- Band shell is not attractive
- Landscaping needs improvement
- Visibility is poor
- Entrances and connectivity
- Need better surfacing
- Need better access to George Little Park

b) What do you consider to be the greatest opportunities in George Little Park?

- Great spot for a city meeting place
- Community sponsors for sections of the park
- More appropriate structures
- Activities for all ages of youth
- Stake park
- Entrance

Feedback from City of Terrace Spirit Square Open House Dec. 2/2008

- **Increase winters sports use**
- **Winter festival**
- **Opportunity to protect green space – remember original purpose of having park**
- **Bring hot springs-water park back into the community**
- **Free concerts**
- **Food courts or booths**
- **Farmers market space**
- **Increased coverage when concerts are happening**

2. Amenities and Activities

a) What do you consider to be the most important amenities or features of a public gathering place?

- **Public art**
- **Gazebo**
- **Seating/climbing structures**
- **Natural art incorporated into urban space**

b) What kind of programming or activities would increase the enjoyment and use of George Little Park for all?

3. Additional comments or suggestions?

- **Use the existing tennis courts and turning into a basketball court**
- **Install totem polls like have at the multiplex**
