## A LONG-TERM CAREER

Becoming a lifeguard can lead you on a path to a long-term career in recreation management, facility operation, and many more interesting professions.

## ENDLESS OPPORTUNITY

Lifeguarding is an excellent starting point for those who want to work within their community as a first responder, teacher, sports coach, or medical professional.

## BENEFITS

- Transferable skills and education
- Excellent compensation
- Long-term growth opportunities
- Awesome team environment!
- Saving lives
