Message from the Parks, Recreation & Culture Department

Hello and welcome to the first published recreation guide in over 10 years.

We've brought back a recreation guide to ensure that our community has easy access to the wide range of offerings that we deliver through our facilities and in partnership with community organizations. We will publish this guide three times a year; January, May and September.

We're thrilled to share this season's lineup of programs, events, and services designed to support your health, creativity, and connection to community. Whether you're diving into swim lessons, joining a fitness class, or discovering new arts and cultural experiences, there's something here for everyone.

The City of Terrace is committed to creating inclusive, accessible, and engaging spaces where residents of all ages and abilities can thrive. We're proud to offer opportunities that reflect the spirit of Terrace—active, welcoming, and deeply connected to the natural beauty that surrounds us.

This guide is your gateway to recreation, culture, and community life. We invite you to explore, participate, and make the most of what's offered. If you have questions, ideas, or feedback, we'd love to hear from you!

Land Acknowledgment:

The City of Terrace is situated on the traditional territory of the Kitsumkalum and Kitselas peoples, who have been stewards of this land since time immemorial. We are grateful to live, work, and play on this beautiful territory and commit to fostering respectful and collaborative relationships with our neighbours and partners.

How to Use the Guide

Swimming Lessons (All Ages)

Swim for Life® Program

The Lifesaving Society's Swim for Life® program provides a complete, age-appropriate progression for learning to swim and staying safe in, on, and around the water. From infants to adults, swimmers build comfort, confidence, foundational skills, strong strokes, and endurance through fun, structured lessons.

Program Modules:

- Parent & Tot (4 months–3 years): Parents join their child in the water to build early comfort, buoyancy, movement, and water-safety habits.
- Preschool (3–5 years): Young swimmers learn floating, gliding, kicking, bubbles, submersion, and independence through playful skill-building.
- Swimmer (6–12 years): A complete learn-to-swim pathway, progressing from basic water skills to confident front & back crawl, deep-water abilities, diving, and endurance.
- Teen & Adult: Flexible instruction for beginners or swimmers wanting to improve technique and confidence.

Lifesaving & Leadership Courses

Bronze star

Bronze Star is a pre-Bronze Medallion training program that helps to prepare candidates for success in Bronze

Medallion. The Lifesaving Society's Bronze Star develops swimming proficiency, lifesaving skill and personal fitness.

Candidates refine their stroke mechanics, acquire self-rescue skills, and apply fitness principles in training workouts. Bronze Star is excellent preparation for success in Bronze Medallion and provides a fun introduction to lifesaving sport.

Prerequisites

- None (Canadian Swim Patrol experience recommended)

Recognition

- Bronze Star medal and electronic certification

Check here: for upcoming course dates. **Training Programs & Courses | City of Terrace**

Bronze Medallion

Bronze Medallion, as our flagship certification, teaches an understanding of the lifesaving

principles embodied in the four components of water rescue education: judgment, knowledge, skill, and fitness. Bronze Medallion challenges the candidate both mentally and physically. Judgment, knowledge, skill and fitness – the four components of water rescue – form the basis of Bronze Medallion training. Candidates acquire the assessment and problem-solving skills needed to make good decisions in, on and around the water. Bronze Medallion is a prerequisite for Assistant Lifeguard training in Bronze Cross.

Prerequisites

- Minimum 13 years of age or the Bronze Star award.

Recognition

- Bronze Medallion medal and electronic certification

Currency

- If a Bronze Medallion award is used for employment (e.g. some jurisdictions require Bronze Medallion to supervise school groups or camps), the award must be current within two (2) years by attending a Bronze Medallion Recert.

Check here: for upcoming course dates. **Training Programs & Courses | City of Terrace**

Bronze Cross

Bronze Cross is designed for lifesavers who want the challenge of more advanced

training, including an introduction to safety supervision.

The Lifesaving Society's Bronze Cross begins the transition from lifesaving to lifeguarding and prepares candidates for responsibilities as Assistant Lifeguards. Candidates strengthen and expand their lifesaving skills and begin to apply the principles and techniques of active surveillance in aquatic facilities. Bronze Cross emphasizes the importance of teamwork and communication in preventing and responding to aquatic emergencies. Bronze Cross is a prerequisite for advanced training in the Society's National Lifeguard and leadership certification programs.

To be employed as an assistant lifeguard, an individual should be a minimum of 15 years of age and hold (at a minimum) a current Lifesaving Society Bronze Cross certification and a current Emergency First Aid certification.

Prerequisites

- Bronze Medallion (need not be current)
- Candidates are responsible for having the correct prerequisites. If you have any questions in regard to this please reach out to us.

Recognition

- Bronze Cross medal and digital certificate

Currency

- If a Bronze Cross award is used for employment (e.g. some jurisdictions require Bronze Cross to supervise school groups or camps), the award must be current within two (2) years.

Check here: for upcoming course dates. **Training Programs & Courses | City of Terrace**

CLASS DESCRIPTIONS:

Cardio Combo

Want to change up your workout routine? Try this high-energy class, which combines aerobic moves on the floor or step with intervals of upper-body strength moves using free weights. Follow these fun sequences with a brief Bender ball routine for your abs and release the week's tension with deep relaxation techniques to end the class feeling invigorated and energized for the weekend.

Chair Yoga

Join us for the soothing practice of Chair Yoga, a class designed to bring balance, flexibility, and relaxation to your mind and body. This accessible and inclusive yoga class is perfect for individuals of all ages and abilities, including those with limited mobility or physical challenges..

Forever Fit

Turn back the clock with this light-hearted, fun-filled class and improve your fitness level while socializing with others who value a healthy lifestyle. Designed to promote joint mobility, full range of motion, and increased cardiovascular health, this class will combine gentle aerobics with strength and flexibility exercises. Enjoy a relaxing cooldown and leave the class feeling positive about yourself and the day ahead!

Love Life Fitness

A workout for people of all fitness levels. Whatever your needs, we will work on accommodating! Whether you have sensory issues and we need to turn down the music and lights, or you're in a wheelchair and need exercise modifications, come on down! We aim to foster a space for inclusion, friendship, and fun. Our workout will be a combination of floor exercises, weights, dancing, and stretching.

Mostly Muscle

Like variety? Enjoy a smorgasbord of strength exercises designed to tone all of the major muscle groups with a variety of small equipment including free weights, dyno bands, weighted balls, and gliders. Tone your abdominals with Bender balls and improve your flexibility with a comprehensive stretching routine to end this class feeling strong and healthy.

Tai Chi

Everyone is welcome to this class, a self-paced system of gentle exercises and stretching that aids in the reduction of stress and anxiety. A regular practice helps increase flexibility and balance.

Total Body Express

This fast-paced, full-body workout is designed to maximize results in just 40 minutes. Start with a 5-minute warm-up, then elevate your heart rate with 15 minutes of cardio intervals. Move into 15 minutes of strength and core exercises to build muscle and stability, and finish with a 5-minute stretch to relax and reset. Perfect for all fitness levels looking for an efficient, balanced session.

Tune-Up

A high-energy class that focuses on a variety of low-impact cardio moves for fun and fitness. Abdominal and stretching routines complete this workout to ensure maintenance of strength and flexibility.

Yoga

A variety of yoga styles and mindful movements will be demonstrated for all skill levels, with the use of props provided and breath. Come and enjoy an hour dedicated to your health and growth.

Seniors Fitness & Wellness Programs

Seniors Can Move

The Seniors Can Move program is designed to improve the agility, balance, coordination, and strength of adults 65+ years of age. Through games and gentle exercises, we reacquaint seniors with fundamental movement skills they may no longer be practicing due to inactivity, pain, illness, or surgery: walking, marching, throwing, catching, and balancing – even skipping. Using soft, high mats, we work towards teaching participants how to fall safely and get back up again.

- **January 5–March 12**

Bike Shelters – Safe, Free, and Weather-Protected

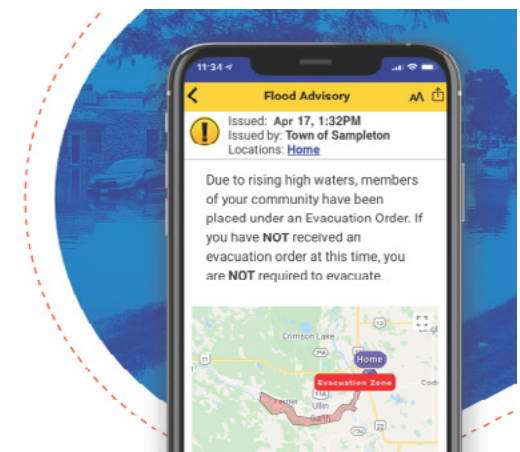

The City of Terrace offers four secure bike shelters located at the Aquatic Centre, the Public Library, City Hall, and the Public Works Building. These shelters provide a free, weather-protected space for anyone cycling to programs, winter activities, or community events.

Access is provided by individual access code, and each user must submit their own quick application for the shelter they'd like to use. Bikes must still be locked inside, and overnight storage isn't permitted. **Secure Bike Parking Use Agreement.**

Voyent Alert! is the City of Terrace's official notification system, providing timely updates for both emergencies and day-to-day notices like snow removal, water advisories, and service interruptions. Registration is free, easy, and anonymous, and you can choose to receive alerts by app, text, email, or phone. You can also track multiple locations—such as home, work, or school—to get messages that matter most to you. Stay informed and stay safe with Voyent Alert!
