

DECEMBER 12, 2022

COUNCIL MEETING HIGHLIGHTS

REGULAR MEETING

- Yvonne Nielsen and Amanda Waning presented about the need for improved accessible transportation options in Terrace.
- The Outdoor Artist Collective requested a letter of support for grant applications for community activities, including the Sima Festival: Wintering Together events.
- Terrace Off Road Cycling Association requested a letter of support for a funding application to do trails planning work.
- Council approved the installation of "the Raven", a new sculpture that will be placed at the Terrace Pump Track.
- Staff followed up from a community member's presentation about the use of rodenticides in the City of Terrace to provide a review of the City's operational changes around pest management.
- Council established an animal shelter crematorium reserve fund and a local government climate action program reserve fund.
