

NEWS RELEASE – CITY OF TERRACE PURCHASES BOWLING LANE PROPERTIES

The City of Terrace has recently made a strategic land acquisition through the purchase of the Barney's Bowl Ltd. (DBA Terrace Bowling Lanes) properties located at 4807 and 4811 Lazelle Avenue.

This two lot site adjacent to City Hall, including the older building in which the bowling lanes have operated for many decades, will enable future expansion of the City's operations as the organization grows and the demand for additional parking and office space for municipal functions becomes necessary.

As part of the negotiated purchase of these properties, the City of Terrace has agreed to lease the properties to Barney's Bowl Ltd. (DBA Terrace Bowling Lanes), for a 9-month term from September 1, 2019 to May 31, 2020. The lease will permit the seller to continue to operate the bowling lane facility for the 2019-2020 bowling season.
