

TERRACE & DISTRICT AQUATIC CENTRE

Visiting Us During the COVID-19 Pandemic Is Going to Look Different!

STAY HEALTHY, STAY SAFE

Is the Facility Safe to Use?

YES We have implemented all of the health and safety guidelines from our professional associations including Northern Health, BC Centre for Disease Control, Life Saving Society, and BC Parks and Recreation Association.

What Can You Expect?

Several measures have been implemented to help reduce the spread of COVID-19, including the following:

Patrons must reserve a swim time prior to entering the facility (even if you have a membership). Payment must be made online or over the phone with a credit card.

Wearing a mask in the facility is required, except while on the pool deck or in the pool. While using the weight room, you must wear a mask when moving between pieces of fitness equipment.

Reduced capacities have been applied to all facility spaces, including change rooms. Where possible, be sure to maintain a distance of 6 feet from other patrons.

Cleaning times have been scheduled between swim times. Change rooms are disinfected after each swim time. All shared equipment and high touch areas are disinfected after use.

If you or your family members are sick with flu-like symptoms, you ARE NOT permitted to enter the facility.

Facility Operations

The facility will be open during scheduled swim times to patrons who have made a reservation. Doors to the facility will open 5 minutes before a scheduled swim time.

Patrons are encouraged to arrive Swim Ready or Gym Ready. Patrons must leave quickly – you must be out of the facility within 15 minutes of the end of the swim time.

Spectators, public washroom use, and drop-ins are not permitted during the COVID-19 pandemic.

Lifejackets and kickboards will be available upon request.

Facility Occupancy

Due to physical distancing requirements, the facility occupancy is limited. Up to 40 swimmers and gym users may be permitted. Capacity during any given time will depend on the type of swim (like length swim or Aquafit classes) currently running and the pool features that are used for those activities.

Pool Deck

Follow all regular pool safety rules and lifeguard instructions.

Each pool has a capacity. Please keep this in mind when using features like the lazy river and hot tub.

The saunas are **CLOSED**.

Water fountains are **CLOSED**.

Obey all posted signage and arrows.

Change Rooms

Wearing a mask in the change rooms is required. Privacy stalls may not be available in the male and female change rooms.

Using the Gym and Pool During Your Visit?

Reserve as a swim patron during the desired swim time to use both facilities during that timeframe.

Length Swims

Lanes are divided into 3 double lanes for leisure, moderate, and fast swimmers.

All swimmers must swim counterclockwise with up to 6 swimmers per double lane.

Overtaking and resting must be done at the lane ends, with up to 2 swimmers at a time in each corner.

All equipment is colour coded – if a colour is in use, you may not use another piece of adjacent equipment of that same colour.
