INSTRUCTIONS TO TENDERERS

**Contract: LAZELLE AVENUE BOULEVARD ENHANCEMENT
PHASE ONE**

Reference No. PWA-05-2108

1. Introduction

- 1.1 *These Instructions apply to and govern the preparation for this Contract. The Contract is generally for the following work:*

Boulevard rehabilitation including excavation, installation of base gravels, paver stone sidewalk, concrete sidewalk replacement, concrete curbing, tree boxes, bike racks, garbage cans, and other related works on Lazelle Avenue between Eby Street and Emerson Street.

- 1.2 *Direct all inquiries regarding the Contract, to:*

Rhett Munson, Engineering Supervisor

Address: Public Works Department
5003 Graham Avenue, Terrace, BC V8G 1B3
Phone: (250) 615-4044
Fax: (250) 635-3467
E-mail: rmunson@terrace.ca

2. Tender Documents

- 2.1 *The tender documents which a Tenderer should review to prepare a tender consist of all Contract Documents listed in Schedule 1 entitled "Schedule of Contract Documents". Schedule 1 is attached to the Contract Agreement which is included as part of the tender package. The Contract Documents include the Drawings listed in Schedule 2 of the Agreement, entitled "List of Drawings".*
- 2.2 *Any additional information made available to Tenderers prior to the Tender Closing Time by the City or representative of the City, such as geotechnical reports or as-built plans, which is not expressly included in Schedule 1 or Schedule 2 of the Agreement, is not included in the Contract Documents. Such additional information is made available only for the assistance of Tenderers who must make their own judgment about its reliability, accuracy or completeness and neither the City nor any representative of the City give any guarantee or representation that the additional information is reliable, accurate or complete.*

3. Submission of Tenders

- 3.1 *Tenders must be submitted in a sealed envelope, marked on the outside with the above Contract Title and Reference No., and must be received by the office of:*

Director of Public Works & Engineering

at: **City of Terrace**

5003 Graham Avenue, Terrace, BC V8G 1B3

Fax: (250) 635-3467

- 3.2 *Late tenders will not be accepted or considered, and will be returned unopened.*

4. Additional Instructions to Tenderers

- 4.1 *A site meeting with the Contract Administrator to allow Tenderers the opportunity to review the site and ask questions can be made by appointment only and are optional. A site meeting is not mandatory but, failure to attend does not eliminate or reduce the Tenderers obligations to become familiar with the site.*

Contact Rhett Munson at 250-615-4044 to setup an appointment.

- 4.2 *No award will be made to any Contractor who cannot give satisfactory assurance as to his ability to carry out with the Works both from his financial rating, and by reason of his previous experience as a Contractor on Work of a similar nature to that contemplated in the Contract.*
- 4.3 *Failure to complete any of the Tender Schedules will result in the Tender being considered incomplete. An incomplete Tender may be subject to rejection by the City.*
- 4.4 *If the unit prices and total amount of the extensions, calculated by the Tenderer in the tender form do not agree, the unit prices will, under no circumstances, be altered and the corrected extensions will be considered as representing the Tenderer's intentions.*
- 4.5 *Survey layout for the proposed work will be the responsibility of the Contractor. The cost of survey layout is to be included in the unit prices.*
- 4.6 *Each Tender shall be accompanied by a Bid Bond or a certified cheque made payable to the City, in the amount of ten percent (10%) of the tender price. The Bid Bond or certified cheque shall be returned to the Tenderer upon the signing of the*

Contract Agreement with the successful Tenderer and the submission of a suitable Performance Bond. On the failure of the successful Bidder to furnish a satisfactory Performance Bond and to sign the Contract Agreement within fifteen (15) days after being awarded the Contract, the cheque or Bid Bond will be forfeited to the City.

- 4.7 The City may refuse to enter into a Contract Agreement with a Tenderer who has an outstanding dispute on a previous City of Terrace contract, development, subdivision, etc.*
- 4.8 The City may refuse to enter into a contract agreement with a Tenderer who has not obtained the most recent edition (2006) of the City of Terrace Standard Construction Specifications and Standard Detail Drawings.*
- 4.9 The City reserves the right to accept any offer, or reject any or all offers.*
- 4.10 The City reserves the right to waive informalities in or reject any or all tenders or accept the tender deemed most favorable in the interests of the City of Terrace.*
- 4.11 Except as expressly and specifically permitted in these Instructions to Tenderers, no Tenderer shall have any claim for any compensation of any kind whatsoever, as a result of participating in the tender, and by submitting a bid each Tenderer shall be deemed to have agreed that it has no claim.*

CITY OF TERRACE

CONTRACT SPECIAL PROVISIONS

**Contract: LAZELLE BOULEVARD ENHANCEMENT
PHASE ONE**

Reference No. PWA-05-2108

1. LOCATION OF PROJECT

1. *The project is located on Lazelle Avenue, between Eby St. and Emerson St.*

2. SCOPE OF PROJECT

1. *Lazelle Avenue boulevard enhancement – phase one, works to include:*
 - *Excavation of grass/soil areas*
 - *New base gravel placement*
 - *Paverstone sidewalk installation*
 - *Constructing concrete barrier curbs*
 - *Replacement of concrete sidewalk sections*
 - *Installation of bike racks*
 - *Removal and installation of garbage cans*
 - *Concrete-tree box installation.*
 - *Other related works*

3. CONTRACT SCHEDULE

1. *The Contractor shall submit to the City a detailed work schedule showing: phases of construction, and the order in which, and the method by which it is proposed to carry out the works. Adequate details shall be furnished for each of the major activities on the project and the arrangements, methods, materials, equipment and construction plans, and time allotted by the Contractor. The contractor must plan to complete each area of works in full prior to starting work on another area. The Contractor shall take into account all factors influencing the Contract. The schedule shall require the approval of the City prior to work commencing on site. During construction, the schedule shall be updated bi-weekly and provided to the City for review.*
2. *The City anticipates that work on Saturdays may be required to meet the Contract schedule. Time is of the essence.*
3. *The work shall be substantially completed (98% contract complete) not later than **Tuesday August 31st, 2021.***

4. *If the project requirements are not met according to schedule constraints, any additional time spent for inspection by City staff after the stated substantial completion date shall be charged to the Contractor. Also see section 00700 (General Conditions) Item 28.1 and 28.2 "City's Right to Do Work" of the Contract Specifications.*
5. *If the Contractor is delayed in completion of the work by any act or neglect of the City or any Contractor employed by the City, then the time of completion shall be extended for a period of time equal to the time lost due to such delays. The Contractor shall not be eligible for any additional costs for overhead, living expenses, labour, equipment, lost profits or any other costs whatsoever arising from extension to the contract working period.*

4. LOCAL ACCESS / TRAFFIC

1. *Local access to all properties and businesses within and beyond the worksite for both vehicles and pedestrians must be maintained except when temporary loss of access is absolutely necessary. The Contractor shall give advance notice to property owners and business managers of such restriction and shall reinstate access as soon as possible.*
2. *Barricades, road closed signs, detour and direction signs to be erected and maintained by the Contractor at all times. Certified traffic control personnel to be provided by the Contractor. Pedestrian access including wheelchairs through the worksite shall be maintained with clearly identified and delineated pedestrian walkways for the duration of the project. Walkways to be modified as required due to construction.*
3. *The Contractor shall submit a Plan of Traffic and Pedestrian Control, Temporary Signage and Detours to the City of Terrace and shall ensure the City has approved the Plan **prior** to commencing construction. The Plan shall include signage, delineation and detours to address safety of pedestrians and travelling public, and shall adhere to the Ministry of Transportation and Infrastructure (MoTI) Traffic Management Manual for Work on Roadways latest edition.*

Plan to indicate: type, colour, size of signs proposed, location of detour signage, and business signs.

*Traffic control to cover various phases (stages) of construction. Should the approved Plan not cover the works to be undertaken on any given day, the Contractor shall, **prior** to commencing the works, review proposed traffic control with the City for approval.*

Radio announcements and signage required to inform public of road closures and detours shall be the responsibility of the Contractor.

Approval of the Plan by the City in no way relieves the Contractor of his responsibility to meet WorkSafeBC requirements. Failure of the Contractor to subsequently implement the Plan as approved may result in the signage being erected by others at the Contractor's expense.

5. DUST CONTROL

- 1. The Contractor shall be responsible for maintenance and set-up of dust control such as water or calcium and bear all associated costs. Clean up of roadway and sidewalk surfaces shall be done daily with dustless sweeping methods. Airborne concrete dust will not be permitted.*
- 2. The Contractor shall control dust at all times for the duration of project.*
- 3. If the Contractor fails to maintain dust control the City may carry out dust control as needed and charge the Contractor for costs incurred.*

6. CO-OPERATION OF THE CONTRACTOR

- 1. The City reserves their right to perform other work by contract or otherwise, and to permit public utility companies and others to do work on or near the project during the progress of the work. Contractor to co-ordinate with utilities to allow for such work.*

7. UTILITY AND SURFACE FEATURE DAMAGE

- 1. All infrastructure, buildings and existing surface features damaged or broken will be the Contractor's responsibility and shall be restored to their present state or better. Any costs incurred by the City will be charged to the Contractor.*
- 2. The Contractor shall conduct with the City a condition survey of the existing buildings, trees, shrubs, plants, lawns, fencing, service wires and poles, signs, survey bench marks, iron pins and monuments which may be affected by the work. Failure to do so does not alleviate the Contractor from his obligations or responsibilities.*
- 3. The Contractor shall retain a qualified British Columbia Land Surveyor to locate, reference and re-establish all destroyed or damaged property boundary reference points and monuments.*

4. *If natural gas mains or sheathing are damaged during the course of works or pre-existing damage is discovered, contact Pacific Northern Gas immediately and leave gas line exposed to allow for repairs.*

8. UTILITY WORK PLAN

1. *The Contractor shall contact all utility companies prior to construction to ensure all utility locates are completed. The Contractor is responsible for ensuring that proper procedures are carried out when working around each utility.*

9. USE OF CITY TOOLS / EQUIPMENT

1. *The City will not supply tools and equipment such as pipe snappers, valve and hydrant keys, pressure pumps, hoses, barricades, and signs for use on City of Terrace Contract Projects.*

10. DISPOSAL OF SURPLUS MATERIALS

1. *The Contractor shall be responsible for identifying disposal site(s) of all surplus soil from excavation. The City to review and approve disposal locations.*
2. *The Contractor shall dispose of all concrete waste and other non-fill materials off-site and in accordance with the Contract Specifications and WorkSafe B.C. Regulations. Contractor to include disposal costs in unit price bids.*
3. *Where the Contractor has obtained pre-approval from the City, suitable excavated material may be used as native bedding or excavation backfill, etc.*

11. SPECIAL WORKING DAYS

1. *Construction work shall not be carried out on Sundays except in cases of emergency or special circumstances, and then only with the written permission of the City and to such an extent as the City may judge to be necessary. The Contractor will be required to pay all overtime wages for inspection works on Sundays.*
2. *If the Contractor desires to work on a City of Terrace Statutory Holiday notice shall be provided to the City at least ten (10) days in advance of such holiday. The Contractor will be required to pay all overtime wages for inspection work on City of Terrace Statutory Holidays.*
3. *All work areas to be clean, free of equipment, debris, tools, and tripping hazards etc. for the duration of the Riverboat Days Event from August 6th to August 9th, 2021.*

12. MAINTENANCE PERIOD

1. *Notwithstanding any other provision of this agreement or the termination of this agreement, the Contractor warrants to the City of Terrace for a period of 365 days from the date of Substantial Completion as shown on the Construction Completion Certificate, that all work in connection with this contract is free from any defect resulting from work done or material supplied by the Contractor, and the Contractor shall, to the satisfaction of the City or their representative, rectify any defect that exists within that period.*

13. COVID-19 (Coronavirus):

1. *The contractor must at all times follow the latest British Columbia Ministry of Health requirements and recommendations in response to the on-going COVID-19 situation. Any site safety requirements in regards to COVID-19 are the Contractor's responsibility.*
