FIREWORKS IN TERRACE

NEW in 2022:

Fireworks can only be set off on October 31

Beginning in 2022, firework use is restricted to one day per year following public feedback. You may now only set off fireworks on October 31 each year. Non-compliance can result in a \$500 fine.

Fireworks can only be purchased or given between October 29–31.

Non-compliance can result in a \$500 fine.

Fireworks can only be discharged in certain places:

1. On private property and only with the knowledge and written consent of the homeowner, or
2. As part of a public event controlled by a public body or society. Written permission from the Fire Chief and City Council is required for public functions and may be obtained through the City of Terrace Fire Department.

You must be at least age 19 to handle fireworks

You must be at least 19 years old to light, hold, possess, or detonate fireworks. Non-compliance can result in a \$500 fine. It is illegal to sell fireworks to someone under 19 years old.

Fireworks are regulated in the City of Terrace through Noise Bylaw 1051 and Fire Prevention Bylaw 1356.

Safe storage & handling

Warning: Fireworks may cause serious injuries to the eyes, head, or hands. Reduce the risk with proper handling.

Transport fireworks in the trunk of your vehicle only or in a non-sparking container with a lid if you drive a van or truck. Check the instructions for special handling directions. Store fireworks in a cool, dry place. Keep fireworks away from children.

FIREWORKS & PETS

The sudden noise from fireworks can be very upsetting to animals. Please be considerate of your neighbours regarding your fireworks usage and let them know in advance if you're planning to set any off.

Be sure to clean up afterwards as fireworks debris can be harmful to animals.

FIREWORKS SAFETY

Promote and Practise the 3 BE's

BE PREPARED.

- Use legal fireworks purchased from licensed outlets.
- Store fireworks out of children's reach.
- Read & follow directions.

BE SAFE.

- Always have water at hand (hose or bucket of water).
- An adult should always light fireworks.
- Use outdoors only in a large open area (keep all spectators out of this area).
- Check wind direction & wind speed.
- Light one firework at a time & move away quickly.
- Keep children & pets away from fireworks.
- Never insert fireworks into containers.

BE RESPONSIBLE.

- Do not throw fireworks or hold in your hand.
- Soak used fireworks thoroughly in a bucket of water.
- Dispose of used fireworks & debris properly.
- Check the firing area for duds & check again the next morning.
- Never re-light a "dud" firework. Wait 30 minutes, then soak in a bucket of water.
- Do not try to make your own fireworks!
