

NEWS RELEASE – DELEGATION VISITS CHINA

Terrace, BC

SUMMARY

A delegation including representatives from the City of Terrace, Taisheng International Investment Services, Kitselas First Nation and Allnorth Consultants Ltd. (Engineering consultant for the development) spent a week in China for a variety of meetings and marketing activities promoting the Qinhuangdao Economic and Technological Development Zone (QETDZ) project located at the Skeena Industrial Development Park.

KEY POINTS

- *City of Terrace's team included:*
 - *Carol Leclerc, Mayor*
 - *Sean Bujtas, Councillor*
 - *Heather Avison, Chief Administrative Officer*
 - *Rob Schibli, Director of Public Works*
 - *Danielle Myles, Manager of Economic Development*
- *The week was very productive and highlighted the positive progress the QETDZ Terrace Industrial Park project has made in Terrace regarding site development, and overseas in China in relation to investment promotion.*
- *QETDZ Terrace Industrial Park, owned by Taisheng International Investment Services, is the first North American industrial park for the QETDZ. The park is strongly supported by multiple levels of government in China and British Columbia.*
- *QETDZ Construction Update:*
 - *Taisheng continues to work closely with their engineering consultant and the City of Terrace to advance their development.*
 - *Road construction and water well development have commenced.*
 - *Shallow utility contract for Jack Talstra Way has been awarded.*
