SESSION DESCRIPTIONS

Public Skate

Everyone is welcome during our public skates!

Sticks and Pucks

Practice makes perfect! Sharpen your stick handling and shooting skills using the provided foam pucks. Please note: real pucks are prohibited due to safety and insurance; anyone caught using real pucks will be asked to leave. The session does not allow goalies.

Adult Laps

Just like Public Skate, but come on your lunch break! Enjoy the peace and quiet as you get some exercise with Adult Laps.

Parent and Tot

Great opportunity for parents to bring their little ones out on the ice without worrying about the hustle and bustle. Strollers are welcome on the ice, given the wheels are clean. Little ones must wear helmets, even if strapped into the stroller.

NOTE: Any changes in the schedule will be posted at the Sportsplex and on the City of Terrace website.
