Public Skate

Everyone is welcome during our public skates!

Parent and Tot

Adult registers and child skates for free. Great opportunity for parents to bring their little ones out on the ice without worrying about the hustle and bustle. Strollers are welcome on the ice, given the wheels are clean. Little ones must wear helmets, even if strapped into the stroller.

Noon Hour Hockey

Full gear is required. Everyone pays, including goalies. The first 20 skaters and 2 goalies to sign up will be permitted. Registration opens at 8:30 am. Goalies must call the Sportsplex to register. Ages 18+.

Sticks and Pucks

Sharpen your stick handling and shooting skills using the provided foam pucks. Please note: real pucks are prohibited due to safety and insurance; anyone caught using real pucks will be asked to leave. The session does not allow goalies.
