

# Terrace Downtown Improvement Area

- Located in the heart of the Northwest, Terrace Downtown Improvement Area strives to provide a vibrant, safe, accessible downtown core where residents and visitors will experience a pleasant, attractive place to shop, to work, and live.
- It is our goal to foster Downtown Terrace as the heart and soul of our community; culturally diverse; rich in heritage and natural beauty; economically prosperous; a friendly and exciting place to be.

# Terrace Downtown Improvement Area

- The Terrace Downtown Improvement Area Society (TDIA) is a group of business and property owners that desire to improve our downtown by working together, planning together and implementing safety & security, events and beautification projects as well as promoting Terrace downtown.
