

How to Pay Your 2022 Property Taxes

STEP 1: Apply for the Home Owner Grant

Home Owner Grant applications **MUST** be submitted directly to the Province of BC. This was a province-wide change in 2021; residents are no longer able to apply through their municipal office. Program eligibility is unchanged.

The home owner grant reduces the amount of property tax you pay for your principal residence. If eligible, you must claim your grant each year. To avoid a 10% penalty on the outstanding balance, make sure to claim your grant by the tax due date.

Applying for the grant before paying your property taxes is recommended but not required.
