

EXTENDED!

ARE YOU A LOCAL INDIGENOUS SCULPTURE ARTIST?

We want to see your sculpture concepts!
Your sculpture could be installed on a street
corner in Terrace. Here's what it could look like:

EXPRESSIONS OF INTEREST SHOULD CONTAIN:

- Artist name and contact information
- A brief background on the artist's practice and previous experience
- A concept sketch of the intended sculpture that identifies potential subject matter and a short written explanation of any broad themes the artist wishes to explore with the piece

The sculpture is intended to be sited on highly a visible and trafficked public area such as a street corner. City staff will determine an exact location in collaboration with the selected artist, who will be compensated to complete a detailed design and for the assembly of the sculpture.

**DEADLINE FOR
SUBMISSIONS:
