DROP-IN HERITAGE WORKSHOP

Moving forward with heritage in Terrace

Thursday, October 17, 2019

4:00 pm - 8:00 pm

Days Inn Terrace, 4620 Lakelse Avenue

What's the Heritage Conservation Plan?

- **Everyone** has an important story or a place they care about in their community.
- A Heritage Conservation Plan uses community input to create a vision and strategies for the conservation of a community's heritage in the short and long term.
- Heritage can mean different things to different people. It can include **buildings, groups of buildings, sites, landscapes, views, industrial or agricultural places, natural features, roads, trails, social and spiritual places, events, stories and memories ... anything** a community identifies as having value or being important to them.
- The plan takes into account all of the features that a community thinks have heritage value, states why they are important, and uses this information to create actions for heritage conservation.

What's the Heritage Workshop about?

- The focus of the workshop is to collect the community's ideas to understand what the heritage of Terrace is all about, its places that matter, and the future of its heritage resources.
- We'll use this information to create strategies and tools for heritage protection and management.
- We'll ask the public to respond to questions, map important places and fill out a questionnaire.
- All collected input will be considered in the preparation of the Heritage Conservation Plan.
- We want to hear from as many different people of all ages in the community as we can.
- It's a drop-in format, so stay for as long or short a time as you like.
- Light refreshments will be available.

How can I participate?

- Attend the **Heritage Workshop** on Thursday, October 17 between 4:00 pm and 8:00 pm and **share your thoughts** about Terrace's heritage and the Heritage Conservation Plan
- **Check the City's website** for project updates and a link to the online survey
- **Questions?** Call **Ken Newman at 250-615-4032** or email **knewman@terrace.ca**

If you care about Terrace, you're ready to participate in the Heritage Workshop!
